SEACET

The South East Asian Education Trust was established in the year 2000 with the main objective to provide academic excellence to all sections of the society. The trust focuses on imparting quality education, disciplined and integrated personality development, research & management skills to face the global challenges. The campus at South East Asian Education Trust with its extensively landscaped gardens, is widely acknowledged as one of the most beautiful campuses in Bangalore, harmoniously combining buildings and open spaces. S.E.A.E.T takes pride in having world class facilities, intermingled with heritage protected buildings and state of the art teaching and research facilities, including lecture halls and performance theaters, tutorial spaces, studios & laboratories. S.E.A.E.T has well-equipped computer laboratories throughout the campus, carrying the latest software & hardware in general and subject specific.
